Foaming Oil Cleanser (PEG-Free, Sulfate-Free) No. 2075

This plant-based foaming oil is designed to nourish the skin as it cleanses, transforming from an oil into a milky lather to remove makeup, dirt, and excess oil without stripping. This formulation features multifunctional **Cola®Mulse 3GO** to provide refatting and hydrating properties to the skin while also acting as an emulsifier, creating an oil-to-milk effect in the presence of water. To use: massage onto dry skin, then add water to transform into a milky lather before rinsing clean.

82. #2075 Foaming Oil Cleanser
