FORMULA COMPREHENSIVE SCALP TREATMENT SPRAY WITH HAIRILINE®

N° ACT-US

Water-like scalp treatment for healthy hair growth. HAIRILINE® is a natural active ingredient against hair-loss (alopecia). It provides **a protection of hair health by acting on scalp microbiota**. This formulation contains *Melaleuca Alternifolia* (Tea Tree) Leaf Oil that aids as an anti-microbial. With high humectant moisturization, **hair and scalp are left feeling oil-free and hydrated**.

Using a systemic approach, supported by an innovative metagenomic study, HAIRILINE® rebalances the scalp bacteriobiota and mycobiota in subjects with alopecia, to restore a healthy microbiota-scalp cross-talk, as well as modulates key cellular pathways, to reduce hair loss.
