HYDRO-BALANCE STICK

C.SK.26.11HPC

Description

A refreshing hydrophilic stick that delivers an instant cooling sensation on application, with an ultra-light feel. Specially designed for oily and blemish-prone skin, it helps purify and remove impurities while supporting the skin’s natural balance. By caring for the microbiota and helping to modulate inflammation, it leaves the complexion clearer, calmer, and visibly healthier.

Claims & Key Points

- Cooling effect
- Light texture
- Microbiota care
- Inflammation modulation

Hero Product

EquiBiotics® LA is a postbiotic ingredient obtained from L. acidophilus PBS066, specific for sensitive skin.

It is a good balancer of the skin microbiota and it strengthens the skin barrier, reducing the inflammatory state.
