

Lucia Rosano wants to make the world a better place – for everyone. As a bioscientist at Bayer, Lucia knows she is doing just that. Searching for solutions and never giving up. That is the passion that unites all of us at Bayer. We call it the Bayer Spirit. If you feel it, too, then it is high time we had a chance to talk about a career at Bayer.

Regional Manager Cosmetics Development (m/f)

Bayer MaterialScience AG, Leverkusen, Germany

Job description In our sub group Bayer MaterialScience AG you will be responsible to technically support customers and distributors in Europe, Middle East, Africa and Latin America and develop new formulations for the market segments hair styling, sun care and color cosmetics. In this context, you will visit customers, build customer relationships and manage technical projects with external partners. Moreover, providing solutions to customer requests and preparing samples and formulations will be part of your main tasks. Furthermore, you will prepare and conduct technical training to the Sales Team and distributors. You will conduct market research and market analysis, including patent analysis. You will support our global Business Development unit for the preparation of the major fairs such as In-Cosmetics. The preparation and participation in regional trade shows, including product presentation, will also be part of your tasks.

Your qualifications You hold a Diploma degree in cosmetic science, a Master degree in pharmaceutical science or chemistry. You have several years experience in the development of Skin Care/Sun Care products. You demonstrate a strong understanding of laboratory skills in formulation technology as well as previous proven experience for product development. You are a strategic thinker with previous team leadership experience, a high level of team spirit and strong problem solving skills. You show high flexibility to travel mainly in the region EMEA. Fluent English (spoken and written) and knowledge in MS Office are essential.

Your application We offer a competitive salary in an international environment as well as excellent opportunities for professional and personal development. If your background and personal experience fits this profile, please send us your complete application at www.myBayerjob.de, submitting a cover letter, your CV and references.
