

B&T - Olivem®1000 Crystal Skin™ - Anti-Aging

[6.1] Anti-Aging

Thanks to its special structure, Olivem®1000 Crystal Skin™ forms highly stable and dermo-compatible liquid crystals which are similar to the lipids of the cutaneous barrier: this makes it able to physiologically integrate in the stratum corneum and to carry its efficacy also to deeper layers of the skin. Olivem®1000 Crystal Skin™, thanks to its restructuring and thickness properties, **prevents the signs of the time giving tonicity and elasticity to the skin.**

- **Claims:** Moisturizes aging skin
- **B&T Formulas:**

Anti-age cream

Phase	Ingredient	%
I	Olivem®1000 Crystal Skin™ Cetearyl Olivatate (and) Sorbitan Olivatate	3,0
	Oliwax® LC Hydrogenated Olive Oil (and) Olea Europaea (Olive) Fruit Oil (and) Olea Europaea (Olive) Oil Unsaponifiable	1,0
	Vitis Vinifera (Grape) Seed Oil	5,0
	Isononyl Isononanoate	5,0
	Isodecyl Neopentanoate	5,0
	Cetearyl Alcohol	0,5
	Tocopherol	0,5
	II	Water
Glycerin		3,0
Panthenol		1,0
Sodium Polyacrylate		0,4
III	Dimethicone	1,0
	Preservative	a.n.
IV	Perfume	a.n.
	Eurol® BT Olea Europaea (Olive) Leaf Extract and Water	0,25
