The wide range of exhibits, which last year attracted about 37,500 trade visitors, goes from apparatus cosmetics, skin care, colour cosmetics, foot care and nail design right through to tanning and sun care.

NEW - the business and press club

For the first time this year there will be a Business and Press Club, specially set up for the convenience of press and industry visitors from inside and outside of Germany. It will afford visitors a place to sit and talk with existing or potential business partners, or a quiet

spot to read company publications and product brochures. This will enable both the press and industry visitors to seek out the specific information they need.

Once again this year an extensive programme of supporting events has been planned. Last year some 3,500 trade visitors took advantage of the wealth of information on offer via the IFC International Forum of Cosmetics with its workshops and free-of-charge presentations at the Pink Point in Hall 5 and the Blue Point in Hall 1.

The highlights of this year's show include the 21st German Make-up Championship, the 20th International Masters' Award Make-up, the 21st Ger-

man Nail Design Championship and the 20th European Masters' Award Nail Design. Other special events are the 15th BEAUTY FORUM Blue Diamond competition for young beauticians, and the 17th BEAUTY FORUM marketing prize.
