Cloud Night Cream
In Aspen

In Aspen, skiing is a full sensory experience: gliding above powdery snow and clouds, breathing crisp mountain air, then returning to warmth. That balance between freshness, movement and recovery defines the alpine rhythm, which shaped this night cream. Its airy texture relies on controlled air incorporation, stabilized to deliver a fresh, soft sensation at first contact. Upon application, it evolves into an enveloping, conditioning phase that cushions the skin without heaviness, mirroring the transition from alpine exhilaration to recovery. Designed to support overnight comfort and barrier recovery, the formula remains light while nourishing and promoting relaxation through its neuro-cosmetic active. A refined minty-floral fragrance completes this restorative experience.

Cloud Night Cream **In Aspen**

Actigum™ Care

Versatile derived-natural rheology modifier and stabilizer, designed using artificial intelligence. Combination of sclerotium gum created through bio-fermentation of sugar from 100% renewable feedstock and modified starch derived from 100% European sourced waxy corn rated Silver via the Sustainability Agricultural Initiative (SAI) platform. Provides a great pick-up, cushion and firm effect, smooth and fresh texture. 94.5% derived-natural according to ISO 16128.

Argan Oil Crude FFL Organic

Excellent nourishing and moisturizing properties. Fair For Life certified vegetable oil, cold-pressed in Morroco, guarantees fair trade and responsible supply-chains with the local cooperatives.

EcoSense™ APP-5000 Formulation Aid

Non-ionic and bio-based oil-in-water emulsifier composed of alkyl polypentosides with fatty alcohols produced by green chemistry principles. It has an HLB value of 9-9.5. The xylose head group is made from wood origin from FSC and PEFC certified source and fatty alcohol. Delivered as waxy pellets whose dispersion in the oil phase at low use levels allows creation of PEG-free, low viscosity emulsions of vegetable oils, fatty esters or silicones with internal phases of up to 40%. Non-GMO, 100% Natural Origin Index according to ISO 16128 and 100% renewable carbon content.

EcoSmooth™ Universal Fluid 2000

Readily biodegradable, lubricating fluid with silicone fluid-like sensory, wide solvent/oil compatibility, emolliency and pigment wettability.

Olivem® VS Feel

COSMOS approved secondary emulsifier derived from olive oil. Emulsion stabilizer and liquid crystal promotor that gives a very nice skin feel. Brings skin hydration, elasticity and softness. 100% natural origin according to ISO 16128.

Rose Oil COSMOS Organic

Essential oil obtained from the petals of the flowers originated from the Bulgarian Rose Valley. Petals are harvested early in the morning to maximize the valuable oil content. It takes 10,000 kg of rose petals to capture 1 kg of oil. Beware of cheap imitations – this is the pure 'royalty' of essential oils.

Shea Butter FFL Refined Organic

Organic Fair For Life certified butter coming from cooperatives of women in Ghana and Burkina Faso. Attractive emollient for hair and skin care applications whose strength lies in its very high content of unsaponifiables and vitamins.

SMARTEEN™

Neurocosmetics active ingredient extracted from the roots of Butcher's Broom. Pure blend of natural active molecules that are highly efficient on stress-related skin problems by using the skin-brain connection. External stress factors cause skin concerns such as dark circles, redness, sensitive skin and acne. At a cellular level, collagen/elastin loss, interleukin releases and tyrosinase activity are key markers of eye bags, dark circles, ageing and redness. Enhances microcirculation and collagen levels and reduction of eyes bags, dark circles, redness, wrinkles and brown spots. Microbiome-friendly certified; Natural Origin Index of 1 according to ISO 16128.

Did you know?

Aspen is known not only for world-class skiing, but also for its strong wellness and recovery culture. After long days on the slopes, evening rituals focused on warmth, relaxation and restoration are an essential part of alpine life, reflecting a local approach to balance effort with recovery.

PHASE	TRADE NAME	INCI NAME	FUNCTION	SUPPLIER	%
A1		Water (Aqua)	Solvent	Univar Solutions	Q.S: 74.24
	Actigum™ Care	Hydroxypropyl Starch Phosphate, Sclerotium Gum	Texturizer, sensory enhancer, **COSMOS approved**	Cargill Beauty	4.00
A2	SMARTEEN™	Neoruscogenin, Ruscogenin	Active (microcirculation improvement, anti-dark circle, anti-redness, anti-in-flammatory, collagen improvement, anti-wrikle)	Normactive	0.10
	1,3-Butylene Glycol Cosmetic Quality	Butylene Glycol	Humectant	Oxea	3.00
A3	EcoSense™ 919 Surfactant	Coco-Glucoside	Non-ionic surfactant, vegetable based	Dow	0.35
B	EcoSense™ APP-5000 Formulation Aid	Myristyl/Stearyl Xylosides, Myristyl Alcohol, Stearyl Alcohol	Emulsifier, texturizer, natural origin	Dow	2.00
	Olivem® VS Feel	Cetearyl Alcohol, Cetyl Palmitate, Sorbitan Palmitate, Sorbitan Oleate	Co-emulsifier	Hallstar	2.00
	Baobab Oil Refined	*Adansonia Digitata* Seed Oil	Vegetable oil, emollient	EarthOil by Univar Solutions	2.00
	EcoSmooth™ Universal Fluid 2000	PPG-5 Butyl Ether	Emollient	Dow	2.00
	Shea Butter FFL Refined Organic	*Butyrospermum Parkii* (Shea) Butter	Emollient, natural origin	EarthOil by Univar Solutions	2.00
	Argan Oil Crude FFL Organic	*Argania Spinosa* Kernel Oil	Vegetable oil, emollient	EarthOil by Univar Solutions	2.00
	Biochemica® Vitamin E Natural	*Tocopherol*	Antioxidant	Hallstar	0.30
	Florasun® 90	*Helianthus Annuus* (Sunflower) Seed Oil, Tocopherol	Vegetable oil, emollient	Cargill Beauty	5.00
C	Kem EHG	Phenoxyethanol, Ethylhexylglycerin	Preservative	Akema	0.80
	Spearmint Oil (Organic)	*Mentha Viridis* Leaf Oil	Essential oil, **COSMOS approved**	EarthOil by Univar Solutions	0.075
	Cornmint Oil (Organic)	*Mentha Arvensis* Leaf/Stem Oil	Essential oil, **COSMOS approved**	EarthOil by Univar Solutions	0.075
	Rose Oil COSMOS (Organic)	*Rosa Damascena* Flower Oil	Essential oil, **COSMOS approved**	EarthOil by Univar Solutions	0.06

Procedure

(Hot Process)

1. Combine ingredients of phase A1 and homogenize (Silverson for 7 min at 7,000 rpm)
2. Dissolve SMARTEEN™ in butylene glycol by heating to 90°C and mixing until homogeneous
3. Incorporate phase A2 in phase A1
4. Incorporate phase A3 to phase A1A2 (Silverson for 3 min at 5,000-7,000 rpm) making sure to create foam
5. Combine ingredients of phase B and heat to 55°C
6. Add phase B to phase A under high speed (Turbotest® VMI dissolver stirrer) until homogeneous
7. At temperature < 40°C, add ingredients of phase C in the order listed while mixing
8. Homogenize the mixture (Silverson for 1-2 min at 5,000-7,000 rpm) making sure to incorporate air

Stability

Stable 3 months at 4°C, RT and 40°C

Comments

- **Aspect:** White airy cream
- **pH** = 6.0
- **Viscosity** (spindle T93; 10 rpm; 1 min) = 32,200 cPs (32.2%)
- **Application:** Apply on a cleaned face and spread evenly
- **Natural Origin %** = 96
