We assume no responsibility concerning the formulations which are brought to the market and which contain one or several of our products. It is incumbent to the formulators to take all necessary precautions and, in particular, to comply with all required legal and regulatory steps and formalities.

ABOUT HAIRILINE®

HAIRILINE® is a natural active ingredient which rebalances the scalp microbiota in Alopecia and enhances the key cellular pathways Wnt/β-catenin. This is allowed thanks to the terpenes.

ACTIONS :

Rebalances Bacteriobiota & Mycobiota / Slows hair-loss / Restores hair vitality and density
